Mr. James P. Ryder,

Supt. Hayward School.

Dear Mr. Ryder:

Receipt of your letter of January 30, regarding the omission of the allotment numbers from the census roll from your jurisdiction for the past fiscal year. Since it is now so late and your work at this time of the year is no doubt very heavy it has been decided not to return the 1929 roll for this purpose, but to request that all allotment numbers for the fiscal year 1930 be added when making up the coming 1930 census for the fiscal year ending June 30, 1930.

Sincerely yours,

(Signature)

Commissioner.

Commissioner of Indian Affairs,

Washington, D. C.

S i r:

Replying to Office letter of January 25, it is regretted that the allotment numbers on our 1929 census roll were omitted. If required, this information can be procured, however, it will entail a great amount of effort. No annuity payments are made to the Indians of this reservation.

It is noticed that two previous communications on this matter have been unanswered. I very much regret to learn this and charge the delinquency to the great amount of clerical work which has passed through this office in connection with the construction of the hospital without any additional help.

Respectfully,

S. D. A.
